ERYTHROPOIESIS STIMULATING AGENTS (ESAs)
Prior Authorization Form
ARANESP, EPOGEN, & PROCRIT

□ Standard Request (72 hours)
□ Expedited Request (24 hours)

If you or your prescriber believe that waiting 72 hours for a standard decision could seriously harm your life, health, or ability to regain maximum function, you can request an expedited decision. For expedited requests you will receive a decision within 24 hours. You cannot request an expedited coverage determination if you are requesting reimbursement for a drug you already received.
